

## Bed of Roses (Second Chance at Love 240)

They share a passion for roses. But when nursery owner Sarah Turner invites multimillionaire land baron Daniel Lowell into her private garden, she has no idea he'll impulsively offer to buy her entire stock ... or that the warm intimacy between them will explode into a passion as riotous as the intoxicating blossoms around them. - Dan sweeps Sarah into a romantic whirlwind of candlelit dinners and precipitous lovemaking. She's never felt such desperate desire ... or such intense fulfillment. But no sooner has Dan planted his new model town with her roses than questions arise as to his true motives... and cruel gossip threatens to turn their very private love into a public scandal!
