

## Only Gay for You: The Jock and The Twink Book Two (First Time Straight Gay Romance)

Introducing Book Two of the Only Gay for You Series! Cole nearly drowned that day at the river with Matt. But his one-time childhood best friend saved his life, and as the two sat there after that brush with death, something took hold of them and they gave in to each other with a wild lust neither of them knew they had. Much to the surprise of both boys they've embarked on a passionate, out of control affair. Matt, the alpha jock, is straight as far as anyone can tell - there's just something about Cole that he can't resist. Cole, the effeminate twink, is definitely gay but knows he is condemned to keep it a secret until he moves out of his conservative, bigoted town. Which soon brings them to the ultimate crossroads: what happens when other people find out? This 10,000 word steamy gay romance is part two of a three part series. Part three will be released soon!
