

OUTSMART Your Broken Heart: Dating Online and Offline: A New Beginning

Witty.. Funny.. Brilliant.. You wont put this book down until the end. A fusion of well-researched topics written with a highly entertaining twist, this book will help you overcome your insecurities about dating and show you that mending your broken heart is possible. How do you learn to open yourself up to a new relationship after your heart has been broken? Where do you meet new people, once you are ready to date again? What are the secrets of attraction to the opposite sex? How to navigate online dating? You will get the answers to these and many other questions in this clever and humorous book. Based on the authors personal experiences and loads of research to support her conclusions, Outsmart Your Broken Heart is your source for valuable dating tips, human behavior and laws of attraction. You will learn about: biological differences that drive behavior of men and women; how not to repeat the same, often destructive, relationship patterns; how to rebuild your shattered self-esteem; how to forge the most important relationship of all, with yourself. Getting over a lost love is not easy and it takes time. Let Outsmart Your Broken Heart be your guide through the healing process in finding your way to a happy you!
