

The Love Season (LIN) (Linford Romance Library)

Gabrielle Broome is in Angel Creek to protect her grandfather, Maximilian Broome, a once famous playwright, from the gathering media attention as his eightieth birthday approaches. Maxs neighbour, Craig Gillard, is down for the salmon season but he soon shows signs of being more interested in Gabrielle than in his fishing. When Gabrielles ex-boyfriend, Andy Doyle, also arrives with ideas for producing Maxs best known play, things get complicated.
