

# In All Things Moderation: One Woman's Answer to the Question: How do you stay so thin?

This sensational new program is an easily read story that shows you how to master the art of eating in moderation. The story unfolds as a fictional conversation between two co-workers. Rather than asking you to limit yourself to certain types of foods, it offers five simple steps to help you take in smaller amounts of the things you love, instead. Written by a forty-something woman who seems to eat constantly and yet has maintained a healthy weight throughout her lifetime, In All Things Moderation - One Woman's Answer to the Question: How do you stay so thin? doesn't pretend to be a scientific manual for health and nutrition, but simply a helpful guide that may one day have people asking you, How do you stay so thin?
