

28 Days of Keto Starter Recipes and Meal Plans: Easy keto-adaptation weight loss at your fingertips (Keto Recipe Book)

Go the KETO Lifestyle! The ketogenic lifestyle is a well medically researched approach to living healthy while losing weight. Going beyond Low Carb, High Fat (LCHF), KETO avoids carbohydrates, focuses on healthy fats to become the source of energy AND keeps proteins to a medium. You feel more energized, more focused and start to burn the excess fat immediately. In addition, your blood values improve. Since February 2015 it is official: the real culprits are the carbohydrates that caramelize your body, and it is healthy and necessary to eat cholesterol and saturated fats! This recipe book gives you 53 new recipes and focuses on helping you to get keto-adapted. Each recipe has the nutritional values to make sure you stay in control of your carbs, and make sure you get your fats. When in doubt, add some butter! The 28 days of meal plans take the thinking about getting keto-adapted. You can follow the suggested days, which give you a wide diversity in meals, or choose a day that you see fit. Nutritional values help you to decide how to stay within your carb tolerance level and protein threshold. Of course with a range of breakfast, lunch, dinner, snacks/deserts. The shopping list help you can start out immediately to update your pantry to support your new healthy lifestyle. What you find in the book: 53 Easy, Delicious, recipes, for excitingly different meals. Breakfast, lunch and dinner, as well as snacks, sorted by preparation duration. You immediately see how long the recipe will take, so you can make fast last-minute decisions about what to make. e.g. [20] Cream Cheese Pancakes [20] Maple Almond Hot Cereal [26] Radish Egg Scramble [30] Pork Pancake Sandwich [35] Salmon Stuffed Avocado [35] Egg Poblano with Bacon 26 [35] Three Cheese Breakfast Puffs And of course the number of servings, as well as the procedure to prepare the dish.
