

Word Driven Spirit Led

Word Driven Spirit Led was written to help born-again Christians realize the supernatural transformation that Romans 12:1-2 promises. The book shows how a Christian can develop a disciplined lifestyle that is driven by Gods Word and led by the Holy Spirit. No matter what a believers spiritual state is, Word Driven Spirit Led can help supercharge ones personal relationship with the Lord Jesus Christ. A study of Psalm 19:7-8 and Isaiah 11:2 provides an understanding of the power of Gods Word and the work of the Holy Spirit in a Christians life. Word Driven Spirit Led begins with the fall of man in the Garden of Eden, then discusses the beginning of holiness at salvation and then provides a detailed study of Psalm 19:7-8 and Isaiah 11:2. Through the study, a practical approach is presented for being Word Driven and Spirit Led to achieve the progressive holiness required by God. Using the principles described in this book, a Christian can see the supernatural transformation from darkness to light become a reality in this present life. Word Driven Spirit Led concludes with the relationship of being Word Driven and Spirit Led, to Joshua 1:8 as the promised process of the transformation in Romans 12:1-2 becomes a supernatural reality in a Christians life.
