

The History of Rome by Titus Livius. With English notes, marginal references, and various readings. VOL. II, PART I

Title: The History of Rome by Titus Livius. With English notes, marginal references, and various readings. By C. W. Stocker. Publisher: British Library, Historical Print Editions. The British Library is the national library of the United Kingdom. It is one of the worlds largest research libraries holding over 150 million items in all known languages and formats: books, journals, newspapers, sound recordings, patents, maps, stamps, prints and much more. Its collections include around 14 million books, along with substantial additional collections of manuscripts and historical items dating back as far as 300 BC. The HISTORY OF THE ANCIENT WORLD collection includes books from the British Library digitised by Microsoft. Titles in this series include lectures, compiled sketches, and chronological discourses on Greece, Rome, and other early European and African civilisations. The collection also has a selection of physical and classical geography texts. ++++The below data was compiled from various identification fields in the bibliographic record of this title.
