

Outsider (Large Print Press)

Former black ops CIA operative Colby Lane, now retired from his wild years as a mercenary, has found his new calling as assistant chief of security for the mammoth Ritter Oil Corporation. But the past is never far behind. Hes soon enmeshed in plans to trap a notorious drug trafficker, and it seems that his ex-wife, Sarina Carrington whom he so cruelly left after one day of marriage may be more involved than shes letting on. Not only that, but Sarina has a six-year-old dark-eyed daughter whose father is mysteriously absent or is he?
