The 3-Hour Bible is the fastest way to read and understand the Bible! The Bible is the most amazing book. It is a collection of stories about one big story, the story of God and His love for His children. The best part is the stories are true and will change your life. You may have struggled reading and understanding the Bible in the past, or maybe this is your first time. The 3-Hour Bible is the fastest way to read and understand the Bible. The 3-Hour Bible is a collection of twelve stories carefully selected to walk you through the whole Bible. The stories will introduce you to God. You will also meet some interesting people. Sometimes they are heroic, but most of the time they are average people that God uses in amazing ways. You will see God's love and grace on display every step of the way. Throughout the stories, God rescues and guides His people, leading to the ultimate sacrifice that provides salvation to all who believe. With each story taking less than fifteen minutes to read, you will be able to read and understand the big story of the Bible in three hours. You can read it all at once or read a story a day for the next twelve days. In the 3-Hour Bible, the Bible speaks for itself. The stories are crafted from the actual Bible text using the easy-to-read New Living Translation. They are not a retelling or summary, but the actual Bible. Each story presents important people, events or turning points in the bigger story. The book names, chapters and verses have been included so you can see where they fit in the Bible. Some quick facts, called Fast Forwards, are added in italics between each story to help you understand how the Bible flows together. Start your journey to discover the Bible. seeker or new believer understand Gods story. Jack Graham Pastor, Prestonwood Baptist Church Mike J. Thomas has given us an outstanding tool to help study, understand, and apply the Word of God in our lives. We live in a day where everyone has very little time; therefore, this book will help the average Christian grasp the Word of God and apply it to his life. May God use it in the lives of many people. Elmer L. Towns Co-Founder and Vice President Liberty University The 3 Hour Bible is a tremendous tool for everyone but especially for new believers. We have found that men who have never studied the scriptures love it because it gives them a bit more confidence in their interaction with other believers especially in their groups!
